

FALLS CHURCH PRESBYTERIAN

Dear FCPC Family and Friends,

We stand at the threshold of an exciting new chapter for Falls Church Presbyterian Church, one that invites us to deepen our impact and build for our shared future. This year, the Generosity Team and the Capital Campaign Task Force are coming together to present a unified voice for the financial health and future of our congregation.

The package you received contains information on both our annual Generosity Campaign and our multi-year Capital Campaign. By unifying these efforts, we hope to provide a holistic vision for FCPC and ensure that our shared mission remains the primary focus of our conversations.

While we are presenting them together, each appeal serves a distinct and vital purpose:

- **Generosity Campaign: “Deep and Wide: Digging Deeper”**

This appeal supports the “Present” of FCPC. Your generosity pledge fuels our 2027 operational budget, including daily operations, worship services, staff, and the outreach initiatives that serve our community today. This is a **one-year commitment**.

- **Capital Campaign: “Sustaining Our Future”**

We dedicate campaign funds, bolstered by Ives House funds, to essential building and ministry needs to ensure we have a sustainable home now and for generations to come. This is a **three-year pledge**.

We invite you to prayerfully review the information in this package, listen to the Generosity talks in the coming weeks, and attend the Capital Campaign Town Hall. We center all that you read and hear during this time on our collective mission to be a church that renews faith and inspires service to our world.

Our hope is that every household finds a meaningful way to participate in these critical missions. Whether you are able to give in new ways or continue your current level of support, please know that every pledge is a vital act of faithfulness that strengthens our foundation and prepares us for the work ahead.

Thank you for your prayers, your persistence, and your faithful support of Falls Church Presbyterian Church.

With gratitude,

The Generosity Team

The Capital Campaign Task Force
